

Barbara Pedretti

Partner

Barbara Pedretti has been practicing with Studio De Leo Professional Association since 1986, where she is now a partner.

She has built up professional experience primarily in corporate and tax law, providing advice mainly on company matters and on domestic and international tax questions, along with assistance in the preparation of financial statements and restructuring. In the consultancy field, she has also supervised issues relating to companies operating as financial intermediaries (ex art. 106 TUB).

She has also provided assistance in tax assessment and tax litigation.

She has held positions involving the assessment of important business groups.

She has been responsible for the acquisition and sale of companies, some of which involved investment funds and was subsequently involved in overseeing reorganization and development.

She also deals with asset management and generational transitions. In this area, she obtained a Master A.I.F.O. *Italian Association of Family Officers - WEALTH AWARENESS*.

As part of her supervisory roles, she holds the position of Auditor in several companies, both national and multinational, including companies operating in industrial, commercial and financial areas.

Languages: She speaks both English and French.

Barbara Pedretti was born in Bologna, November 7th, 1959

She graduated in Economics and Business from the Alma Mater Studiorum - University of Bologna, Faculty of Economics, and has been a member of the Order of Chartered Accountants of Bologna since 1986. She has been enrolled on the Register of Auditors since 1995. (no. 18095 Official Gazette n. 31a of 21/4/1995).
